Born into a prominent Massachusetts family in 1744, Abigail Adams was a brilliant and well-educated woman. She married John Adams, a rising star in the American Revolution, in 1764. Over the next several decades, she played a pivotal role in her husband's career and in the founding of the United States.

Abigail Adams was a tireless advocate for women's rights and education. She corresponded with some of the most important figures of her time, including George Washington, Thomas Jefferson, and Benjamin Franklin. Her letters provide a fascinating glimpse into the political and social landscape of the late 18th century.

**Abigail Adams: A Life** is a must-read for anyone interested in American history, women's history, or the lives of extraordinary women. Woody

Holton's meticulously researched and beautifully written biography brings Abigail Adams to life and reveals the full extent of her influence on the United States.
