

Chronology of International Organizations: A Political Chronology of the World

International organizations play a vital role in the modern world. They facilitate cooperation between states, promote economic development, and protect human rights. The history of international organizations is long and complex, dating back to the earliest days of human civilization. This book provides a comprehensive overview of this history, from the earliest examples to the present day.

The book is divided into three parts. The first part covers the period from the ancient world to the early modern period. This period saw the emergence of the first international organizations, such as the League of Nations and the International Red Cross. The second part covers the period from the late 19th century to the end of the Cold War. This period saw the establishment of a number of important international organizations, such as the United Nations and the World Bank. The third part covers the

period from the end of the Cold War to the present day. This period has seen the emergence of new international organizations, such as the World Trade Organization and the International Criminal Court.

The book is written by a team of experts in the field of international relations. The authors provide a clear and concise overview of the history of international organizations. The book is also well-researched and documented. It includes a comprehensive bibliography and index.

Table of Contents

- 1.
