

Consequences of Rebelling Against the Authority of Scripture

The Bible is the inspired Word of God, and as such, it is the highest authority in our lives. When we rebel against the authority of Scripture, we are not only disobeying God, but we are also opening ourselves up to a world of hurt.

In this article, we will explore some of the consequences of rebelling against the authority of Scripture. We will see how rebellion can lead to spiritual emptiness, moral decay, and even physical harm.

Consequences on Rebelling Against the Authority of Scripture: A Hebraic Understanding by Prof (Dr) WA Liebenberg

Spiritual Emptiness

One of the most devastating consequences of rebelling against the authority of Scripture is spiritual emptiness. When we turn away from God's Word, we are turning away from the source of all truth and meaning. As a result, we will find ourselves feeling lost, alone, and without purpose.

The Bible tells us that we are created in the image of God, and that we are meant to live in relationship with Him. When we rebel against Scripture, we are breaking that relationship and cutting ourselves off from the source of our true identity and purpose.

Moral Decay

Another consequence of rebelling against the authority of Scripture is moral decay. When we reject God's standards, we are left with no objective moral compass to guide our lives. As a result, we will be more likely to make choices that are harmful to ourselves and others.

The Bible provides us with clear moral guidelines that help us to live our lives in a way that is pleasing to God. When we rebel against Scripture, we

are rejecting these guidelines and opening ourselves up to a life of moral chaos.

Physical Harm

In addition to spiritual and moral consequences, rebelling against the authority of Scripture can also lead to physical harm. When we reject God's laws, we are more likely to engage in risky behaviors that can put our health and well-being at risk.

For example, the Bible tells us to avoid drunkenness, sexual immorality, and other harmful behaviors. When we rebel against these commands, we are not only disobeying God, but we are also putting ourselves in harm's way.

The consequences of rebelling against the authority of Scripture are severe. When we turn away from God's Word, we are opening ourselves up to a world of hurt.

If you are struggling with rebellion against Scripture, I encourage you to turn back to God. He is waiting to forgive you and to help you to live a life that is pleasing to Him.
