

Hooked: Addiction and the Long Road to Recovery

A powerful and moving account of one woman's journey through addiction and recovery, *Hooked* is a must-read for anyone struggling with addiction or its consequences.

In this raw and honest memoir, author Sarah Wilson shares her personal experience with addiction, from her first encounter with drugs and alcohol to her eventual recovery. Wilson writes with unflinching honesty about the highs and lows of addiction, the pain and suffering it caused her and her loved ones, and the long and difficult road to recovery. But *Hooked* is also a story of hope and healing. Wilson's journey is a testament to the power of the human spirit and the possibility of redemption. She shows that addiction

is not a death sentence, but a disease that can be overcome with the right support and treatment.
