IAIA MoCNA was founded in 1998 by the Institute of American Indian Arts (IAIA). IAIA is a leading institution for the education of Native American artists and scholars. The museum's mission is to promote the understanding and appreciation of contemporary Native American art and culture through exhibitions, public programs, and research.

IAIA MoCNA's collection includes works by some of the most renowned contemporary Native American artists, including Jaune Quick-to-See Smith,

Fritz Scholder, and Kay WalkingStick. The museum's collection also includes works by emerging Native American artists, providing a platform for new voices to be heard.

IAIA MoCNA's exhibitions are designed to showcase the diversity and innovation of contemporary Native American art. The museum's exhibitions have featured works in a variety of media, including painting, sculpture, photography, and video. IAIA MoCNA has also hosted a number of special exhibitions, such as the 2019 exhibition "Native American Art in the 21st Century."

In addition to its exhibitions, IAIA MoCNA offers a variety of public programs, including lectures, workshops, and performances. The museum's public programs are designed to provide opportunities for the public to learn about and engage with contemporary Native American art and culture.

IAIA MoCNA is a vital resource for the study and appreciation of contemporary Native American art. The museum's collection, exhibitions, and public programs provide a unique opportunity for the public to engage with the vibrant and diverse world of contemporary Native American art.

The IAIA MoCNA Collection

The IAIA MoCNA collection includes over 8,000 works of art by contemporary Native American artists. The collection is divided into four main areas: painting, sculpture, photography, and video. The painting collection includes works by some of the most renowned contemporary Native American painters, such as Jaune Quick-to-See Smith, Fritz Scholder, and Kay WalkingStick. The sculpture collection includes works by

a variety of Native American sculptors, including Rick Bartow, Ed Archie NoiseCat, and Mateo Romero. The photography collection includes works by Native American photographers such as Hulleah Tsinhnahjinnie, Cara Romero, and Will Wilson. The video collection includes works by Native American video artists such as Sky Hopinka, Adam Khalil, and Allison Janae Hamilton.

The IAIA MoCNA collection is a valuable resource for the study of contemporary Native American art. The collection provides a comprehensive overview of the diversity and innovation of contemporary Native American art. The collection is also a valuable resource for Native American artists, providing a platform for their work to be seen and appreciated by a wider audience.

IAIA MoCNA Exhibitions

IAIA MoCNA's exhibitions are designed to showcase the diversity and innovation of contemporary Native American art. The museum's exhibitions have featured works in a variety of media, including painting, sculpture, photography, and video. IAIA MoCNA has also hosted a number of special exhibitions, such as the 2019 exhibition "Native American Art in the 21st Century."
