In his new book, *My Father, His General, and the Long Road from Vietnam*, author and journalist Andrew Carroll tells the story of his father, General John J. Carroll III, who was a decorated hero of the Vietnam War. But behind the medals and the public persona, General Carroll was a complex and often contradictory figure. ### **A Journey of Courage**

John J. Carroll III was born in 1932 in San Francisco, California. He was the son of a career Army officer, and he grew up on military bases around the world. Carroll attended West Point Military Academy and graduated in 1954. He served in the Army for 30 years, including two tours of duty in Vietnam.

Carroll was a highly decorated soldier. He received the Silver Star, the Bronze Star, and the Purple Heart for his actions in combat. He was also awarded the Distinguished Service Medal, the Army's highest award for valor. Carroll retired from the Army in 1984 with the rank of general.

### **A Journey of Sacrifice**

Carroll's service in Vietnam took a heavy toll on him. He witnessed the horrors of war firsthand, and he lost many of his close friends in combat. Carroll also struggled with the guilt of surviving when so many of his comrades did not.

After the war, Carroll returned to the United States a changed man. He was haunted by nightmares and flashbacks, and he struggled to adjust to

civilian life. Carroll also became increasingly critical of the Vietnam War, and he spoke out against the government's handling of the conflict.

## **A Journey of Redemption**

In the years after the Vietnam War, Carroll dedicated his life to helping other veterans. He founded the Vietnam Veterans Memorial Fund, which raised the money to build the Vietnam Veterans Memorial in Washington, D.C. Carroll also worked with other veterans to provide counseling and support services.

Carroll's work with veterans helped him to find healing and redemption. He found peace in helping others who had also been traumatized by war. Carroll also found solace in writing about his experiences in Vietnam. He published several books, including *Line of Departure: A Memoir of Vietnam* and *The Long Road from Vietnam: A Personal Journey*.
