In 1968, Donald Crowhurst set sail on a solo circumnavigation of the globe. He was a talented sailor and a devoted family man, but he was also a man with a secret. He had never sailed solo before, and his boat was not up to the task. But Crowhurst was determined to succeed, no matter the cost.

Crowhurst's journey began well, but as he sailed further into the Atlantic Ocean, he began to encounter problems. His boat was damaged in a storm, and he began to fall behind schedule. Desperate, Crowhurst began to fake his progress, sending false reports to his sponsors and the media. But his lies soon caught up with him, and his boat was found adrift in the Atlantic Ocean, with a cryptic logbook that hinted at a terrible fate.

Now Filmed As The Mercy is the gripping and moving account of one man's quest for glory, and the price he paid for it. It is a story of love, loss, and survival, and a reminder that even the most ambitious dreams can come at a great cost.
