A Story of Courage and Resilience

'She Persisted: Ruby Bridges' is an inspiring and educational children's book that narrates the remarkable journey of Ruby Bridges, a six-year-old African American girl who, in 1960, became one of the first black students to attend an all-white school in the South.

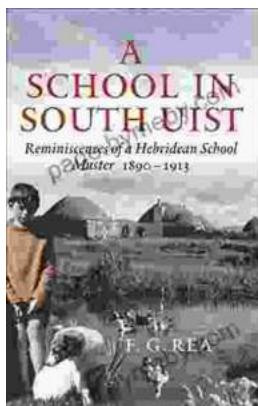

Through evocative prose and captivating illustrations, Kekla Magoon brings to life the challenges and triumphs that Ruby faced. The book vividly depicts the racial prejudice and violence that were rampant during the Civil Rights Movement, as well as the unwavering support Ruby received from her family, teachers, and the federal government.
