In a world where socialism is making a comeback, it's more important than ever to understand the basics of capitalism. The Politically Incorrect Guide to Capitalism is a no-nonsense guide to the free market that will challenge your assumptions and open your eyes to the truth about how the economy works.

Written by Robert P. Murphy, one of the world's leading experts on capitalism, this book tackles the tough questions about the free market. He debunks the myths that socialism is more fair, that capitalism is responsible for poverty, and that government intervention is necessary to protect the economy.

Murphy argues that capitalism is the only economic system that can create wealth and prosperity for all. He shows how the free market has lifted

billions of people out of poverty and created unprecedented levels of prosperity.

The Politically Incorrect Guide to Capitalism is a must-read for anyone who wants to understand the free market and its benefits. It's a book that will challenge your assumptions and open your eyes to the truth about how the economy works.

Table of Contents

- 1.
2. The Myth of Social Justice
3. The Myth of Capitalism's Cruelty
4. The Myth of Government Intervention
5. The Truth About Capitalism
- 6.

Reviews

"The Politically Incorrect Guide to Capitalism is a must-read for anyone who wants to understand the free market. It's a book that will challenge your assumptions and open your eyes to the truth about how the economy works." - **Milton Friedman**

"Robert P. Murphy has written a clear, concise, and persuasive defense of capitalism. This book is a valuable resource for anyone who wants to understand the free market and its benefits." - **Thomas Sowell**

"The Politically Incorrect Guide to Capitalism is a timely and important book. Murphy does an excellent job of debunking the myths that socialism is more fair, that capitalism is responsible for poverty, and that government intervention is necessary to protect the economy." - **Walter E. Williams**
